

Dr. Vanderveen was selected to receive the 2011 Teacher of the Year Award

Radiology, Inc., a comprehensive group of Board-certified diagnostic and interventional radiologists located in South Bend, Elkhart, and Goshen is proud to announce that Dr. Katrina Vanderveen was selected to receive the 2011 Teacher of the Year Award from the Memorial Hospital Family Medicine Residency Program. Vanderveen, fellowship trained in body MRI from the University of Michigan, has been teaching in the Residency Program for six years and also teaches at the Indiana University School of Medicine-South Bend.
